TeamFunded will be notified and will add the new phone number to the campaign within 24 hours. Email [lyndsey@teamfunded.com](mailto:lyndsey@teamfunded.com) for additional support.)

4. Tap the red button labeled SHARE.
5. Tap the red button labeled CLICK HERE TO START SHARING.
6. For first time users, tap "allow" or "okay" to access your contacts. (It may take you to Settings on your phone. If it does, click the toggle for Contacts to turn it on / green.)
7. This takes you to your address book contacts. Text/SMS is highlighted in red at the top by default. Please tap next to each contact that you would like to share the fundraiser with via text. The goal is to share at least 20 times.
8. Then tap the red button labeled SHARE at the bottom of the screen.
