As we head into the last week of the regular season - I want to take a moment to thank all of you for a season for the books! We had the most athletes out for a season of lacrosse than we've ever had before, we had 6 brand new athletes & their families who joined, 1 new coach this season & 5 returning coaches + an abundance of memories!

The skill level in these athletes continue to grow each week! We look forward to finishing out strong in our last week in the regular season & JV/B team's last week of season!

Behind the Whistle

Coach & Dr. Jess - she does it all! Jess started her lacrosse career at PLHS, graduating in 2007 & coaching for PL since 2011. Jess played club lacrosse in college at Mankato State & then at the U of M. Where 16 years later, she graduated from the U's Oral Maxillofacial Surgery program & is a doctor at HCMC. I consider Jess superwoman - she saves lives, coaches high school & PLAY, is the President of MSLax, tears it up on a women's broomball team & still plays lacrosse with our PL alumni!
