

## **2024 FRAMINGHAM YOUTH HOCKEY SCHOLARSHIP AWARDS**

Framingham Youth Hockey Program (FYHP) is offering scholarship awards to qualified, graduating high school seniors who have been members of FYHP and will be attending an accredited 2- or 4- Year College, attending an accredited trade/vocational school or attending a preparatory school to further their education after graduation.

Awards may be granted to students graduating from high school this year who have been an active participant of the Framingham Youth Hockey Program for a minimum of three years and are in good financial standing with the program. These years need not be consecutive. Applicants who are no longer playing organized hockey or who are not playing with FYHP currently are eligible to apply. Applicant's school records must indicate a probability of success in a chosen field of higher education. Schools of choice must be accredited as either a 2- or 4-year program, accredited trade/vocational school, or an accredited preparatory school. The scholarship committee seeks a well-rounded student to be a scholarship recipient. Dedicated commitments to FYHP, school and community weigh heavily in award selection. In addition to these requirements, applicants must provide:

1. A copy of your most recent high school transcript. **Report cards are not sufficient**
2. A typed essay describing how your experience with FYHP has helped to shape you into the person you are today, emphasizing your contributions (past, present and future) to FYHP and your community. (please do not use your personal essay from your college application)
3. A letter of recommendation from a high school faculty member.
4. A letter of recommendation from an FYHP coach or someone who is familiar with your participation in the program.

An application is included with this notice.
